

Kesgrave Community & Sports Centre

Sports Facilities

Our Sports Centre, adjacent to the main conference complex, offers a variety of indoor sports, open to clubs, associations and individuals. We are a registered charity, which means that all the money we receive is used to enhance and develop our services and facilities to the Community.

We are intent on providing top quality services at affordable prices and encouraging access for everyone.

Sports Hall

Our indoor Sports Centre is a fantastic facility open to clubs, associations and individuals. The venue is available to hire on a regular basis and ideal for anyone wanting to set up a new club for the community, such as a yoga or fitness class.

The facility is already home to many clubs and associations, but also available to individuals to play sport. The Sports Centre provides:

- ▶ Basketball
- ▶ Netball
- ▶ Tennis (including Short Tennis)
- ▶ Table Tennis
- ▶ Badminton
- ▶ Five-A-Side-Football
- ▶ Cricket

Why not use the Sports Centre for a team-building activity or an inter-firm competition? Or just get a group of friends together for a regular Five-A-Side match; whatever your preference our staff will be happy to discuss your requirements with you in more detail.

All Weather Surface

The Complex boasts an excellent all weather pitch, which is floodlit so sport can be played day and night all year round. The pitch is suitable for sports such as football, hockey and tennis.

The all weather pitch can also be booked out by companies to organise their own Five/Six-A-Side competitions, and ideal for sports teams to train all year round. Our Sports Complex also boasts a large outdoor area with full size football and cricket pitches, and enough space for a variety of outdoor sports events.
