Our experienced and friendly staff will offer help and advice with everything to ensure your day runs smoothly and is as special and as memorable as possible. For more information see separate sheet.

Anniversaries and Birthdays

Anniversaries are treasured moments and a time to celebrate with family members and close friends.

Let us help you enjoy these special occasions to the full. Wedding Anniversaries, in particular, are very special events – our facilities are ideal for a large party celebration or a more intimate sit down meal with close family and friends.

Think of 'Birthday Parties' and you immediately think of kid's parties with jelly and ice cream. Well, that's part of it but by no means the full story – birthdays can be celebrated at any age, and our facilities lend themselves to organising the perfect party.

Christenings

Much like a wedding, a christening or naming ceremony isn't just about the ceremony. It also includes a party – or reception – afterwards. It's a chance to catch up with friends and for everyone to meet your baby. It can be a simple afternoon tea with cakes right through to a three-course sit down meal.

When you start planning a Christening reception, think about the capacity and the style of event you require. Undoubtedly there will be lots of other small children, and with our gardens and outside areas, this gives you even more scope to plan your special day for everyone to enjoy.

Funerals

The funeral reception provides an opportunity for family and friends to congregate and reminisce. We have experience in providing funeral receptions and will sympathetically attend to your requirements at this difficult time.

Accommodating any size of gathering from the smaller group right up to 250 guests, we can offer quality food served in comfortable surroundings, coupled with attentive service - all the things you require to ensure that this memorable day runs smoothly. A private bar or specific reception drinks can also be arranged and any other specific catering that is required.
