An Attractive Wedding Venue

We understand the importance of making your Wedding Day the best and most memorable day of your life.

Kesgrave Community and Conference Centre is an attractive and spacious wedding venue for couples getting married in Suffolk. Located between Ipswich and Woodbridge, the Centre is within easy reach of both town's registry offices as well as a number of local churches.

The most popular wedding reception room is Ropes Hall – an adaptable room with dining facilities for up to 250 guests, 170 with a dance floor. This is an ideal room to hold a large wedding breakfast, followed by a disco or live music. Smaller wedding parties may prefer the Orwell Room - which provides an intimate setting for up to 60 seated wedding guests. It is also possible to book exclusive use of the Centre on your chosen night, at very competitive rates.

For a wedding with a difference there is the opportunity to organise a barbeque or Hog Roast, and for a more intimate wedding, a marquee off our conservatory with views across the gardens makes a wonderful setting.

We are able to offer guests great flexibility in how they spend their budget. Catering can be organised by us, or you are welcome to make your own arrangements. The Centre's bar will be open throughout your reception, selling a range of reasonably priced drinks. We can also pre-order wine, champagne and sparkling wine for the wedding breakfast and toasts.

Our experienced and friendly staff will offer help and advice with everything to ensure your day runs smoothly and is as special and as memorable as possible. Contact us now for more information and to arrange a time to come and see us.
