▶ Orwell Room, Deben Room and Stour Room

Orwell Room

This versatile room, seating 80 people theatre style and 60 people seated at tables, is ideal for training, conferences and meetings and has the added benefit of its own private well equipped kitchen.

Deben Room

The Deben Room is our smallest facility, ideal for the smaller more intimate business meeting or training session. Seating 30 people theatre style and 25 seated at tables, we are more than happy to discuss room layouts to suit individual needs.

Stour Room

The Stour Room is a general-purpose facility available during the evenings, weekends and school holidays, seating 60 theatre style and up to 60 for a small function. The room is an affordable option as a break out room, or a smaller meeting or training session.
